National Association of Women in Construction, Boise Chapter #245

PO Box 8451, Boise, ID 83709

www.nawicboise.org

Dear Potential Donor:

The Boise Chapter of the National Association of Women in Construction has been active in the Treasure Valley since 1978. As we strive to meet our core purpose of enhancing the success of women in the construction industry, we look to the generous individuals and businesses right here in our community to assist in our endeavors.

We support students who have chosen an aspect of construction as their career by offering college and trade school scholarships. These scholarships are available to Idaho students seeking a construction related degree or a trade certificate in a construction related field. Through our fundraising efforts we have been able to award several scholarships each year for the past several years.

We ask for your support for our 29th annual fundraiser. How can you help our fundraising efforts that support our organization and make a difference in our community? Your donated item has the potential to be viewed by our membership and many other supporters of our organization.

Your donation will help make a direct impact on the lives of those here in our community and help us continue our efforts. We appreciate your consideration and your support. Donations and pledge forms can be mailed to NAWIC Boise Chapter #245, PO Box 8451, Boise, ID 83707 or e-mailed to tanyab@ekcconstruction.com or carolyne@enterpriseelectricboise.com

If you have any questions please contact Mary Lierman (208)888-0077 or email maryl@daglass.net

Best Regards,

Cecyle Brock & Mary Lierman
